## Competition Format and Rules

競技形式および規則 / Format et règlement des compétition

As of THU 1 JUL 2021

### OLYMPIC COMPETITION FORMAT

The artistic gymnastics competition at the Tokyo 2020 Olympic Games consists of men's and women's competitions.

Men compete on six apparatus: floor exercise, pommel horse, rings, vault, parallel bars and horizontal bar. Women compete on four apparatus: vault, uneven bars, balance beam and floor exercise.

There are four competition phases in artistic gymnastics: qualifications, team final, all-around final, and apparatus finals.

**Qualifications:** All gymnasts compete as part of a team and/or as individuals and the results of this phase are used to qualify gymnasts for the team, all-around and the apparatus finals. No scores are carried over from the qualifications to the finals. Team results are based on the three best gymnast scores on each apparatus.

**Team final:** The top eight teams from qualifications proceed to the team final. The teams compete again on all apparatus and the teams with the highest total scores are awarded the medals.

**All-around final:** The top 24 gymnasts from qualifications (maximum two per NOC) proceed to the all-around final. The gymnasts perform again on all apparatus and those with the highest scores are awarded the medals in the all-around. The all-around title is considered to be the premium achievement in gymnastics.

**Apparatus finals:** The eight gymnasts who placed highest on each apparatus in qualifications (maximum two per NOC) proceed to the apparatus finals. The gymnasts perform again on each apparatus and those with the highest scores are awarded the individual medals for each apparatus.

### DIFFERENCES BETWEEN THE FIG WORLD CHAMPIONSHIPS AND THE OLYMPIC GAMES

There is a restriction on entry to the Olympic Games. Only the top 12 men's and women's teams and a designated number of nations with individuals, who qualified through the FIG qualification system, can participate at the Olympic Games, whereas the world championships are open to all FIG member federations.

The Olympic Games, therefore, have fewer competitors than the world championships.

At the world championships, teams consist of five gymnasts, and countries with a team cannot have additional individual gymnasts. At the Olympic Games, teams consist of four gymnasts and these NOCs may have one or two additional individual gymnasts.

### CHANGES SINCE THE RIO 2016 OLYMPIC GAMES

Team size has changed from five to four gymnasts, with possibly one or two additional individual gymnasts for NOCs with teams. The qualification system for the Olympic Games has changed.

## SPORT RULES AND PROCEDURES

### Judging

Artistic gymnastics is a judged sport with a panel of nine judges presiding over each apparatus. The nine judges are broken down into two panels to calculate the "F" (final score). The "D" (difficulty) panel (two judges) calculates the D Score which is the score a gymnast receives based on the content of the routine. The "E" (execution) panel (five judges) determines deductions from the maximum possible score (10.00) based on the gymnast's execution of the routine. Two reference judges have been introduced to establish an automatic and time-saving correction system in case of significant deviations with execution scores. All judges will be appointed by the FIG.

### Calculation of scores

#### Definitions:

- E-score: The judges' scores for execution are averaged after the highest and lowest E judges' scores have been deleted.

- R-score: The reference score is calculated by taking the average of the two reference judges' scores. If the difference between the marks of the two reference judges exceeds the pre-defined tolerances, the R-score is not taken into account at all (i.e. the calculation of the E-score is done the "traditional" way and the execution jury score will remain unchanged).

The E-score and the R-score are compared according to the reference judges' system (RJS).

If the gap between the E-score and the R-score exceeds the pre-defined tolerances, the E-score will be replaced by the average of the R-score and the E-score. Otherwise the execution judges' score remains unchanged.

$D + E - \text{Penalties (if any)} = F$

#### Example:

D-score: 6.00

E-score: 9.30 (calculated from: 9.10, 9.20, 9.60, 9.30, 9.40)

Final Score:  $6.00 + 9.30 = 15.30$

### Tiebreak rules

The FIG tiebreaking rules are presented in the FIG technical regulations and define how to break ties in case of equality of points. In artistic gymnastics, the main principles are the following:

- Qualification for all-around final

- All-around final

In case of a tie for any place, the ranking will be determined by the following criteria:

1. The gymnast with the highest sum of the final apparatus scores will prevail (i.e. add the total of the five, four, three, two, one of the highest final apparatus scores for men, or the total of the three, two, one of the highest final apparatus scores for women).
2. The gymnast with the highest total E-score (execution) by adding all apparatus will prevail.
3. The gymnast with the highest total D-score (difficulty) by adding all apparatus will prevail.
4. If they remain tied, the gymnasts will share the same classification.

- Qualification for apparatus finals (except vault)

- Apparatus finals (except vault)

If a tie occurs, ties will be broken by the following criteria:

1. The gymnast with the highest E-score (execution) will prevail.
2. The gymnast with the highest D-score (difficulty) will prevail.
3. If they remain tied, the gymnasts will share the same classification.

- Qualification for vault final

- Vault final

If a tie occurs, ties will be broken by the following criteria:

1. The gymnast with the highest score of the two vaults before the average for the final score will prevail.
2. The gymnast with the highest E-score (execution) of either vault will prevail.
3. The gymnast with the highest D-score (difficulty) of either vault will prevail.
4. If they remain tied, the gymnasts will share the same classification.

- Qualification for team final

- Team final

In case of a tie at any place, ties will be broken by the following criteria:

1. The team with the highest sum of the team apparatus counting scores obtained will prevail (i.e. the total of five, four, three, two, one highest apparatus team scores for men and the total of three, two, one highest apparatus team scores for women).
2. If they remain tied, the teams will share the same classification.

If ties for the last qualification place(s) for a final cannot be broken by the above criteria, all tied gymnasts/teams will progress to the final.

## Penalties/disqualification rules

Penalties can be imposed on either an individual gymnast, or on a team as a whole, depending on the infraction:

- Individual penalties can include, for example, going out of bounds on the floor exercise, exceeding a time limit for a routine, exceeding the limited time for warm up, or for exceeding the allowed time for resuming a performance after having fallen from an apparatus. (These types of penalties are deducted from the gymnast's score for the apparatus).
- More general penalties can include wearing inappropriate attire and are deducted in qualifications, all-around and team final 1x from the apparatus where first recognised and in apparatus finals from the event score.

### Disqualification:

- Disqualification (DSQ) as a result of a breach of the FIG technical rules and regulations (decisions are taken by the competition jury)
- Disqualification for unsportsmanlike behaviour (DQB) as a result of infringing recognised sport ethics and rules (e.g. positive doping control)

If a gymnast is disqualified from a phase of the competition, his/her results will be removed from the relevant phase and the results of the phase will be re-calculated. Disqualification from qualification means that the gymnast will not proceed to any finals.

For team competition the disqualified gymnast's name and his/her results will be removed from the team and the team results will be re calculated.

In any of the above situations, the affected results output(s) will be produced and marked as "REVISED" with an explanation.

## Score inquiries

Inquiries are allowed only for the difficulty scores. They must be made verbally immediately after the display of the score and then must be confirmed in writing.

Only the accredited coaches in the competition area are entitled to submit an inquiry.

Late verbal inquiries will be rejected. NOCs may not inquire about a gymnast from another NOC.

Every inquiry must be examined by the superior jury and a final decision (which may not be appealed) must be taken.

The detailed procedure is outlined in the FIG technical regulations.

In exceptional circumstances, the FIG might issue an official communication (C67) with an explanation of the situation.

For further information, please consult: [www.gymnastics.sport](http://www.gymnastics.sport)

**Note:**

Underlined totals indicate starting apparatus.

If a qualified gymnast withdraws from the final, they may be replaced by another gymnast from the same NOC if that gymnast is ranked higher than the nominated reserve gymnasts.

**Legend:**

**DNF** Did Not Finish

**DNS** Did Not Start

**Pen.** Penalty

**Q** Qualified for All-Around Final

**Rx** Reserve for All-Around Final
